

FiftyForward Conservatorship

FiftyForward serves as conservator for individuals who can no longer make safe or appropriate decisions for themselves due to cognitive and/or physical disabilities. We have served in this role since 1995 when appointed by courts to manage personal and/or financial decisions.

Conservatorship Customers Benefit from

- A healthcare advocate for decision making
- Assistance in managing income and assets
- Help in maintaining an active lifestyle, family relationships and independence
- Regular in-home visits
- Court oversight of all decisions made regarding sale of property and management of finances
- Twenty four hour a day access to staff

Conservatorship Customers Experience

- Decreased vulnerability to victimization
- Higher quality of life
- An ongoing relationship with a caring advocate
- Preservation and management of assets
- Appropriate health care and living arrangements
